

Croaker

Our pan-ready White Croaker is perfect for pan frying, grilling, or broiling cooking applications, and is very popular fish in the Mid Atlantic region of the U.S.. Wild caught off of the coast of Brazil, our product is held to the highest standards of taste, workmanship, and consistency in specification.

What is **PAN** Ready?

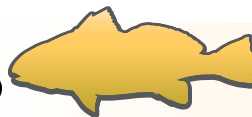

Our spec for both White & Yellow Croaker is Pan-Ready, meaning that each fish is head off, gutted, scaled, fins and tail removed.
